CFO – London VC backed FinTech

Description

FD Capital have been exclusively engaged by one of London's fastest growing FinTech scaleups.

Owing to international expansion we are seeking an ambitious & progressive CFO to take ownership over managing the day to day function.

Responsibilities

- Continue to evolve and improve existing processes, using technology as much as possible to automate
- Preparation of consolidated monthly management accounts with analysis and commentaries
- Statutory reporting and tax work
- Produce investor and other stakeholder reporting packs
- Mentor a superstar finance team & in time continue to grow

Qualifications

- ACA qualified with PQE within an FCA regulated environment (FinTech or Financial Services)
- Experience of working with a high volume, multicurrency environment
- Strong analytical skills and advanced Excel
- Experienced with building best-in-class finance functions, including people/systems/processes
- [MS Power BI expertise](#)
