CFO London Venture Capital

Description

A Venture Capital Family Office focused on technology, internet, infrastructure, and platform investments is seeking a CFO to join their London office.

The Principal has a portfolio of investments in multiple technology and internet businesses. This is a newly created role to support the firm's complex financial affairs, oversee the accounting, operations, and performance of the firm's investments, as well as being actively engaged in particular transactions.

Responsibilities

Responsibilities:

- Ensure day-to-day financial and back office operations are running smoothly.
- Manage and co-ordinate the activities of various professional advisors.
- Co-ordinate and monitor capital calls, distributions, payment processing and reporting of all investments.
- Advise on investment matters & deal support, such as providing advice on structuring acting as a trusted sounding board for the Principal on these deals.
- Lead transaction negotiations across a range of deals.
- Manage cashflow projections and cash management across the entire portfolio of bank relationships.
- Work closely with the Principal and the CIO on new investment strategies.
- Develop new relationships with existing and proposed investors.

Qualifications

Qualifications

- ACA (ICAEW), ACCA, or CIMA qualified accountant
- 6-10+ years post-qualification experience in the financial services industry (family office, venture capital or hedge fund)
- Transaction negotiation experience a plus
- Financial analysis, accounting and budgeting
- Tax structuring and planning, and external audit co-ordination
- Risk Management and strategic planning
- Exceptional oral and written communication skills, and a strong negotiator

Job Benefits

Great career opportunity.
