CFO Tech Sector PE Backed

Description

Our client a PE Backed technology business based in Central London is recruiting a permanent CFO. On offer is a salary of £170,000 plus 30% bonus. Previous technology sector experience essential.

This is a very impressive business with a first rate senior team. We have an interim candidate in place until February 2022. so whilst the recruitment process is underway now a start date is anticipated for January 2022 to allow for a transition.

Location is central London and the role will be office based.

The client has a SaaS model and provides technology solutions to the public transport system. It has made its first acquisition in Scandinavia and more are planned.
