## Chief Financial Officer (CFO) – London AIM Market

### Description

Chief Financial Officer (CFO) – London AIM Market

**Company Overview:** We are a dynamic and rapidly growing company actively working on a London AIM stock market listing. As a leading player in our industry, we are seeking a highly experienced and strategic Chief Financial Officer (CFO) to join our executive team. The CFO will play a critical role in driving the financial performance and growth of the company while ensuring compliance with regulatory requirements specific to the London AIM market.

**Role Overview:** The CFO will be responsible for leading and managing all financial aspects of our company's operations in alignment with our strategic objectives. The successful candidate will oversee the finance department and work closely with the CEO, executive team, and external stakeholders to drive financial planning, analysis, and reporting. This role requires a deep understanding of the London AIM market, its regulations, and reporting requirements.

This is a technology client with significant international operations.

### Responsibilities

1. Financial Strategy and Planning:
  - Develop and execute financial strategies that support the company's growth objectives while maximizing shareholder value.
  - Drive the annual budgeting process and develop long-term financial forecasts.
  - Provide strategic financial insights and guidance to the CEO and executive team.
  - Assess and mitigate financial risks and implement appropriate control measures.
2. Financial Reporting and Compliance:
  - Ensure timely and accurate preparation of financial statements, regulatory filings, and reports in compliance with London AIM market regulations.
  - Coordinate with external auditors and regulatory bodies to ensure compliance and address any audit-related matters.
  - Monitor and analyze financial performance, identify trends, and provide recommendations for improvement.
3. Capital Management and Investor Relations:
  - Manage the company's capital structure and oversee capital raising activities.
  - Develop and maintain relationships with shareholders, analysts, and investors.
  - Participate in investor presentations, earnings calls, and roadshows.
  - Provide clear and transparent financial information to support investor decision-making.
4. Financial Operations and Controls:
  - Oversee day-to-day financial operations, including cash flow
