Finance Director Guildford

Description

FD Capital are recruiting an FD for an exciting and high-profile board-level finance position.

We are delighted to be managing an exclusive and retained search to find a new Finance Director for an entrepreneurial and fast-growing business based near Guildford.

This is the number one role in finance and will take full ownership for all accounting, finance, controls, risk and commercial decision-making.

Our client is a privately owned and sub £50m turnover business with a very exciting future. I would describe them as a scale-up business with a start-up mindset.

They have a highly entrepreneurial, fast-paced and creative board.

We are looking for an experienced Finance Director / CFO who has a track record in driving commercial growth.

The scope and potential of this role is very exciting. This company has a great platform to really grow organically or through investment & M&A.

Ideally, we are looking for someone who can immediately come in and execute what best-in-class looks like.

We need a hands-on finance leader who can tick the following boxes.

- Qualified Accountant with a strong academic background.
- Have had a stable and progressive career.
- Experienced technically in building and leading a finance function.
- Have a commercial and strategic mindset.

Your Profile

We are looking for a talented finance leader (Finance Director / CFO), who has a track record in growing and scaling businesses. You might have been a divisional finance director looking to step up, or someone at this level looking for an exciting move.

If you tick the following boxes then great!

Responsibilities

The Role

The successful Finance Director will take responsibility for the following:
