Finance Director – Weymouth – Dorset

Description

Job Title: Finance Director

Location: Weymouth, Dorset, United Kingdom

Job Description: We are seeking a dynamic and experienced Finance Director to join our team at a leading tourist attraction operator based in Weymouth, Dorset. As the Finance Director, you will play a vital role in the financial management and strategic decision-making of our organization. This position offers an exciting opportunity for a skilled finance professional with a passion for the tourism industry to contribute to the success and growth of our tourist attraction.

Responsibilities

1. Financial Strategy and Planning: Develop and execute financial strategies aligned with the company's goals and objectives. Collaborate with the executive team to set financial targets and create plans for sustainable growth.
2. Financial Reporting and Analysis: Oversee the preparation of accurate and timely financial statements, reports, and analysis. Provide insightful financial analysis to support key business decisions. Ensure compliance with accounting principles, regulatory requirements, and internal policies.
3. Budgeting and Forecasting: Lead the annual budgeting process, working closely with department heads to develop realistic and achievable financial targets. Monitor and analyze financial performance against budgets and forecasts, identifying areas for improvement and cost-saving opportunities.
4. Cash Flow Management: Manage the company's cash flow, optimizing working capital and ensuring sufficient liquidity for day-to-day operations. Implement effective cash management strategies, including monitoring and forecasting cash flows, managing banking relationships, and overseeing payment processes.
5. Financial Risk Management: Identify financial risks and develop strategies to mitigate them. Implement internal controls and safeguards to protect company assets and ensure compliance with relevant regulations and laws.
6. Investment Analysis: Evaluate investment opportunities and potential business ventures, providing financial analysis and recommendations to support informed decision-making. Conduct ROI analysis, feasibility studies, and due diligence processes as required.
7. Financial Systems and Processes: Oversee financial systems, processes, and controls, recommending improvements to enhance efficiency, accuracy, and scalability. Implement best practices in financial management and reporting.
