## Financial Controller – West Midlands

### Description

#### Job Title: Financial Controller

**Location:** West Midlands, UK

**Company:** £70m Automotive Business

**Reports to:** Finance Director

**Salary:** Competitive, dependent on experience

**Type:** Full-time, Permanent

**About the Company:** Our clients are a rapidly expanding £70m automotive business based in the West Midlands, known for our innovative products and dedication to quality. As their business grows, they are seeking a highly skilled Financial Controller to lead their finance team and ensure the integrity and accuracy of their financial operations.

### Responsibilities

#### Key Responsibilities:

- **Financial Management:** Oversee all financial operations, including accounting, budgeting, forecasting, and reporting.
- **Financial Reporting:** Ensure accurate and timely preparation of monthly, quarterly, and annual financial statements in compliance with UK GAAP/IFRS.
- **Budgeting and Forecasting:** Lead the annual budgeting process and provide regular forecasts, including analysis of financial performance and identification of potential risks and opportunities.
- **Internal Controls:** Develop and maintain robust internal controls and processes to safeguard company assets and ensure compliance with financial regulations.
- **Cash Flow Management:** Monitor and manage cash flow, including working capital management and treasury functions.
- **Audit:** Coordinate and manage the annual external audit process and ensure compliance with audit requirements.
- **Tax Compliance:** Oversee the preparation and submission of all tax filings, including VAT, corporation tax, and other statutory returns.
- **Team Leadership:** Lead, mentor, and develop the finance team, fostering a culture of continuous improvement and high performance.
- **Financial Strategy:** Provide strategic financial guidance to the executive team, supporting decision-making and long-term planning.
- **Process Improvement:** Identify and implement process improvements to enhance efficiency, accuracy, and financial reporting capabilities.
- **Ad Hoc Projects:** Support various ad hoc financial projects and initiatives as required by the Finance Director and senior management.
