Fractional CFO

Description

Location: Remote with occasional on-site visits to East Midlands HQ

Compensation: £1,000 per day

Time Commitment: 2-3 days per week

Company Overview: Our client are a dynamic and innovative company operating within the infrastructure and design space, with a strong foothold in manufacturing. As they continue to grow and expand, they are seeking a highly experienced and flexible Fractional CFO to partner closely with our CEO. Our company is committed to excellence, innovation, and strategic growth, and are looking for someone who shares these values.

Role Overview: As a Fractional CFO, you will play a crucial role in driving the financial strategy of the company. You will work closely with the CEO, providing financial insights, strategic advice, and operational leadership. This role requires a deep understanding of the infrastructure and manufacturing sectors, and the ability to work flexibly, both remotely and on-site as needed.

Responsibilities

Key Responsibilities:

- Partner with the CEO to develop and execute the company's financial strategy.
- Oversee financial planning, budgeting, and forecasting processes.
- Provide strategic financial guidance and insights to support business growth and operational efficiency.
- Manage cash flow, financial reporting, and compliance to ensure the company's financial health.
- Lead financial risk management, including evaluating investment opportunities and capital allocation.
- Collaborate with senior management to drive operational improvements and cost efficiencies.
- Support fundraising activities and manage relationships with investors, banks, and other financial stakeholders.
- Provide leadership in financial decision-making and ensure alignment with the company's long-term goals.
- Occasionally visit the East Midlands HQ for key meetings and on-site review

Qualifications

Qualifications:

- Proven experience as a CFO, preferably within the infrastructure and manufacturing sectors.
- Strong understanding of financial management, accounting principles, and financial regulations.
- Strategic thinker with the ability to influence and drive change within the
