Description

UK (Remote with occasional board attendance) | ?? ~1 day per week

About the Opportunity

We are working with a **UK-headquartered technology group** that has recently completed multiple acquisitions and is now entering a critical **post-acquisition integration and value creation phase**.

Our client is seeking a **Fractional Group CFO** to support the Board and leadership team, with responsibility for group-wide financial oversight, consolidation, and strategic planning.

The Role

This is a Board-facing fractional position, requiring a balance of strategic leadership and hands-on delivery across a multi-entity, international structure.

You will play a key role in embedding financial discipline, supporting acquisition integration, and ensuring high-quality reporting across the Group.

Responsibilities

Key Responsibilities

- Lead **multi-entity group consolidation** (6 entities, GBP/USD, intercompany eliminations)
- Deliver **board-level reporting** including monthly accounts, quarterly packs, and strategic plans
- Support **post-acquisition integration** across recently acquired businesses
- Oversee **cash flow forecasting, working capital, and treasury management**
- Manage UK statutory reporting and Companies House compliance
- Support **pre-acquisition due diligence** and financial evaluation
- Oversee **earn-out structures and post-deal obligations**
- Provide leadership to the finance function (Controller + accounting team)

Qualifications

Candidate Profile

We are keen to speak with individuals who have:

- Proven experience as a **Group CFO** / **Finance Director** in a multi-entity environment

- Strong track record in **consolidation across international entities (GBP/USD)**
- Direct experience managing **earn-outs and acquisition integration**
- Experience operating in **investor-backed** / **PE-style environments**
- Strong understanding of **UK statutory reporting (FRS 102)**

Highly desirable:

- Background in **technology, software, or data-led businesses**
- Experience within **buy-and-build** / **acquisition-driven growth strategies**
- Exposure to **US subsidiaries (payroll, compliance, GAAP awareness)**
