Group Finance Director – SaaS

Description

Job Title: Group Finance Director – SaaS

Location: UK (Fully Remote)

Salary: £150,000 + Bonus + Equity

Contract Type: Permanent

Start Date: Immediate / Short Notice

About the Company

We are a high-growth, international B2B SaaS company with a well-established brand and global presence across the UK, US, APAC, and LATAM. As we continue to scale, we are seeking a commercially astute and strategic **Group Finance Director** to join our executive leadership team and help drive the next phase of growth, integration, and operational excellence.

This is a rare opportunity to take ownership of the global finance function within a dynamic, product-led SaaS business, backed by strong recurring revenues, robust client relationships, and a clear path to further expansion.

The Role

Reporting directly to the CEO, the **Group Finance Director** will play a key role in shaping the strategic direction of the business. You will lead all financial operations, support investor relations, and provide actionable insights to support sustainable, data-driven growth across multiple markets.

Responsibilities

Key Responsibilities

- Lead the global finance function, overseeing financial planning & analysis, reporting, compliance, and risk management
- Act as a key strategic partner to the CEO and Board, providing insight and challenge on financial performance, growth strategy, and market opportunities
- Own and develop robust financial models to support expansion, product investment, and international operations
- Oversee budgeting, forecasting, and monthly reporting, ensuring consistency and accuracy across global entities
- Manage relationships with external stakeholders including auditors, investors, banks, and tax authorities
- Drive automation and scalability across finance systems, reporting tools,
