Interim Consultant CFO

Description

Our client is an award-winning creative marketing agency and the UK's first driving social commerce in its niche which includes influencer marketing.

They are looking for an experienced CFO to help them build a financial model to support their pitch deck.

This is a short assignment initially for 8-10 days.

Longer term they need a CFO to support their planned fund raise, so a long term opportunity is a real prospect.

This role needs a candidate with a lot of experience of fund raising and financial modelling, it needs a real self-starter and someone who can work without supervision. You might be interested in: [Finding the Right Interim CFO](#) for Your Business.

This is a unique opportunity to join a rapid growth creative business in an exciting and very fast-paced niche.

Responsibilities

- Producing a financial model
- Updating the pitch deck
- Close working with the Senior Management Team.
- Liason with External Funders.
