Description

Our client a family owned estate and winery is looking for FD level support for 3 or 4 months, this role will be either 4 or 5 days per week. The estate has recently moved into a number of new commercial areas including e-commerce and an upmarket restaurant.

The role has arisen due to a planned short term medical absence within the team.

They are looking for someone to come in and challenge the finance team with a view to improving processes and controls moving forward.

Experence of the winery industry would be a distinct advantage but not essential, knowledge of Netsuite / Oracle would also be helpful as that has been recently implemented.

Responsibilities

- Reviewing internal controls and processes
- Commercial input on their newer business activities
- Review and support with Netsuite/Oracle.

Qualifications

ACA/ACMA preferred

Job Benefits

A good day rate and great working environment.
