Interim Fractional Financial Controller

Description

🌍 UK (Remote) | 🕒 ~3 days per week | 📄 Short-term contract

About the Opportunity

Alongside the CFO appointment, we are supporting the same **technology group** in securing **interim Financial Controller support** to ensure continuity across the finance function during a transition period.

This is a **hands-on, operational role** with immediate impact, supporting a multi-entity international business.

The Role

Working closely with the outgoing and incoming Financial Controller, as well as the Fractional CFO, you will take ownership of day-to-day finance operations across the Group.

Responsibilities

Key Responsibilities

- Manage **month-end close processes** across multiple entities
- Prepare **management accounts and variance analysis**
- Oversee **accounts payable and receivable processes**
- Coordinate **payroll (including US-based employees)**
- Support handover between outgoing and incoming Financial Controller
- Ensure continuity and accuracy across finance operations during transition

Qualifications

Candidate Profile

We are interested in candidates who bring:

- Experience operating as a **Financial Controller or Senior Finance Manager**
- Strong experience in **multi-entity environments**
- Hands-on capability across **management accounts and operational finance**
- Ability to work at pace and manage competing priorities
- Strong attention to detail and ownership mindset

Desirable:

- Experience supporting **international groups (UK + US)**
