Part-Time CFO (Chief Financial Officer) – Remote (Seed Funding Focus)

Description

Job Title: Part-Time CFO (Chief Financial Officer) – Remote (Seed Funding Focus)

Location: Fully Remote

Commitment: 3–4 Days per Month

Industry: Healthcare Products

About Us:

We are an early-stage healthcare product company committed to transforming wellness through innovative, evidence-backed solutions. As we prepare for our next phase of growth, including a Seed funding round, we are seeking a strategic and experienced **Part-Time CFO** to lead our financial strategy and fundraising efforts.

Role Overview:

We are looking for a high-impact finance executive to guide us through a successful Seed funding round and help lay the foundation for scalable, long-term financial health. This fully remote role is ideal for a hands-on CFO with a strong background in startup finance, capital raising, and investor relations.

Responsibilities

Key Responsibilities:

- Lead financial planning and modeling in preparation for Seed round fundraising
- Develop investor materials, including pitch decks, financial forecasts, and data rooms
- Serve as a key financial spokesperson in investor meetings and due diligence
- Advise on fundraising strategy, valuation, and term sheets
- Establish internal financial systems, controls, and reporting mechanisms
- Forecast cash flow and manage burn rate effectively
- Partner with founders to align financial strategy with business goals
- Support post-fundraising reporting and investor communications
