Part-Time CFO

Description

A new [Part-Time CFO](#) opportunity has become available for an experienced financial professional to help drive the development of a digital startup business.

Our client seeks a dynamic, entrepreneurial, focussed Finance Director, initially on a part time basis to plan the expansion.

The client is offering a base day rate and in the future share options.

This is a private equity backed venture, which has already secured initial seed stage finance and is moving forward for another funding round later this year.

In the short term, the [Part-Time CFO](#) will take ownership of the model and pitch deck and prepare and present the financial aspects of the investment deck to the next round of investors.

In the medium term, they will grow with the company, move to greater time involvement and take advantage of this opportunity.

This role is a [Part-Time CFO based in central London](#).
