Part-Time CFO

Description

Our client is a VC backed B2B SaaS business and there are now looking to recruit a CFO to work closely with the CEO and COO as they embark on the next stage of the companies growth.

The incoming CFO will be responsible for shaping and overseeing the systems, processes and people necessary to underpin the business finances, reporting, investor relations and delivery to the forecast revenue, expense budgets and timing, and will also be an integral contributor to the Board and senior management team as well as the strategic development of the business. This is a hands-on role to assist in scaling up the business.

We are committed to encouraging and celebrating applicants from different backgrounds, whatever their gender, ethnicity, race, religious and political beliefs, education, socioeconomic background, disability, sexual orientation and geographical location to promote diversity and inclusion in the workplace.

Responsibilities

Financial Control & Systems

- Identify core processes and appropriate systems and advisers
- Ensure suitable systems, processes, controls, reporting, audit and compliance are in place, taking into account anticipated growth
- Review and update accounting policies and ensure they are implemented appropriately
- Ensure management, consolidated and audited accounts are produced in a timely manner
- Evolve and maintain appropriate financial planning and analysis for budgeting, rolling forecasts, KPIs, trends and value creation

Financial Planning & Analysis

- Build and maintain a robust multi-year budgeting/financial planning tool
- Lead the annual budgeting exercise, including the update of the multi-year strategic plan
- Develop and produce a monthly board pack incorporating the tracking of the value creation plan and Key Performance Indicators (KPIs)

Commercial Performance Management

- Support commercial performance management with input on pricing, recurring revenues, optimising resources and costs, as well as analysis of new market opportunities with customers and suppliers and partners.
