

Part-Time Director of Digital Marketing

Description

A London based startup is looking for a seasoned SEO professional to join their board on a one day per week basis. This role will be inside IR35.

The company has impressive growth plans and aims to become a disrupter in the Business Intelligence niche. They completed their seed funding round in April 2021 and are planning a Series A towards the end of the year.

They are looking to take their online marketing strategy to the next level and need a professional onhand to drive things forward.

Currently the team is a single marketeer supported by the incumbent digital director who is moving on.
