## Part-Time FD Lifesciences in Birmingham

### Description

Part-Time FD Lifesciences in Birmingham

Location: Birmingham, United Kingdom

**Company Overview:** We are a dynamic and rapidly growing lifesciences company based in Birmingham. Our organisation is focused on developing innovative healthcare solutions to improve patient outcomes. As we continue to expand, we are seeking a highly skilled and motivated Part-Time FD Lifesciences to join our team.

**Job Summary:** The Part-Time FD Lifesciences will be responsible for overseeing the financial operations and strategic planning within our lifesciences organization. This role requires a strong understanding of financial management principles and expertise in the lifesciences industry. The successful candidate will collaborate closely with the executive team to drive financial performance, implement cost-saving strategies, and ensure compliance with regulatory standards.

### Responsibilities

1. Financial Management:
  - Develop and maintain financial controls, policies, and procedures.
  - Prepare and analyze financial statements, budgets, and forecasts.
  - Monitor cash flow, manage accounts payable and receivable, and ensure accurate financial reporting.
  - Identify areas for cost optimization and implement strategies to improve financial performance.
2. Strategic Planning:
  - Collaborate with the executive team to develop and implement strategic initiatives.
  - Conduct financial analysis to evaluate investment opportunities and support decision-making processes.
  - Provide financial insights and recommendations to support business growth and expansion.
3. Compliance and Risk Management:
  - Ensure compliance with financial regulations, accounting principles, and industry standards.
  - Coordinate internal and external audits, ensuring timely and accurate reporting.
  - Assess and mitigate financial risks, implementing appropriate controls and measures.
4. Stakeholder Engagement:
  - Work closely with internal stakeholders to provide [financial guidance and support](#).
