Part-Time FD Marketing in London

Description

Part-Time FD Marketing in London

Location: London, United Kingdom

Company Overview: We are a leading marketing agency based in London, specialising in delivering strategic marketing solutions for diverse clients across various industries. As we continue to grow, we are seeking a highly skilled and experienced Part-Time FD Marketing to join our team.

Job Summary: The Part-Time FD Marketing will play a crucial role in overseeing the financial aspects of our marketing agency's operations and providing strategic guidance. This position requires a strong background in financial management, coupled with a deep understanding of marketing principles and strategies. The successful candidate will collaborate closely with the executive team to drive financial performance, optimize marketing investments, and ensure profitability.

Responsibilities

1. Financial Management:
 - Develop and manage budgets, forecasts, and financial models for marketing projects and campaigns.
 - Monitor and analyze financial performance, identify variances, and provide actionable insights to enhance profitability.
 - Collaborate with project managers to track and control costs, ensuring adherence to budgets.
 - Conduct financial risk assessments and implement appropriate risk mitigation strategies.
2. Strategic Planning:
 - Work closely with the executive team to develop marketing strategies aligned with the company's goals and objectives.
 - Evaluate market trends, competitor analysis, and customer insights to identify growth opportunities.
 - Provide financial insights and recommendations to optimize marketing investments and improve ROI.
 - Support the development and execution of marketing plans and campaigns.
3. Financial Reporting and Analysis:
 - Prepare and present financial reports, including revenue analysis, expenses, and profitability by project or client.
 - Perform financial modeling and scenario analysis to support decision-making and drive strategic initiatives.
 - Monitor key performance indicators (KPIs) to evaluate the
