Part-Time FD – Medtech startup – London

Description

Part-Time Financial Director (London-Based) – MedTech Startup

Company Overview: We are a dynamic and innovative MedTech startup at the forefront of revolutionizing the healthcare industry. Our cutting-edge solutions aim to transform patient care and outcomes through the integration of technology and medical science. As we continue to grow, we are seeking a skilled and experienced Part-Time Financial Director to join our team in London and play a crucial role in driving our financial strategies and ensuring sustainable growth.

Responsibilities

Position Overview: As the Part-Time Financial Director for our MedTech startup, you will be a strategic partner to the executive team, responsible for shaping and executing financial initiatives that align with the company's goals. Your expertise will guide financial decision-making, provide insights into performance metrics, and contribute to securing funding for our innovative projects. This role offers a unique opportunity to shape the financial trajectory of a high-potential startup while maintaining a flexible work arrangement.

Responsibilities:

- **Financial Strategy:** Collaborate with the executive team to develop and execute financial strategies that support the company's growth, ensuring alignment with long-term objectives.
- **Financial Planning and Analysis:** Prepare budgets, forecasts, and financial models to provide accurate insights into the company's financial performance and inform strategic decisions.
- **Investor Relations:** Engage with potential investors, providing them with clear and comprehensive financial information to secure funding for the company's expansion and development efforts.
- **Risk Management:** Identify financial risks and implement strategies to mitigate them, ensuring compliance with regulatory requirements and best practices.
- **Cash Flow Management:** Monitor and manage the company's cash flow, optimizing working capital and ensuring the availability of funds for operational needs.
- **Financial Reporting:** Produce timely and accurate financial reports, including profit and loss statements, balance sheets, and cash flow statements, for internal and external stakeholders.
- **Team Leadership:** Oversee the finance team and provide mentorship, guidance, and leadership to ensure the team's continuous development and effective collaboration.
- **Financial Operations:** Streamline financial processes, implement effective controls, and leverage financial systems to enhance efficiency and accuracy.
