Part-Time FD Technology

Description

An opportunity has arisen within a technology business based in Kent. The role is remote working so whilst it would be an advantage to be local it is not essential.

The company is a player in the business service sector and has ambitious growth plans for the next three years.

They are looking for an FD part-time initially for around 3 days per month with some flexibility.

Responsibilities

Day to day management of Finance Function.

Supporting Senior Management team.

Close working and advisor to CEO.

Qualifications

ACA or CIMA preferred.
