Part-Time Finance Director – Creative Industry

Description

Location: Central London

Hours: 3 days per week (part-time/flexible)

Industry: Creative Industries

About the Company

Our client is a dynamic and growing business within the creative industries, based in central London. Known for delivering innovative and high-quality projects, the business works with a diverse client base across the arts, media, and design sectors. They are now seeking an experienced and strategic Part-Time Finance Director to join their leadership team and drive financial performance, growth, and resilience.

Role Overview

The Finance Director will play a key role in shaping the financial strategy of the business, ensuring strong financial management, and providing commercial insight to support decision-making. This is a hands-on role suited to someone who enjoys working closely with creative entrepreneurs and managing the financial operations of a growing SME.

Responsibilities

Key Responsibilities

- Develop and implement financial strategy aligned with business goals.
- Oversee all financial operations, including budgeting, forecasting, cashflow management, and financial reporting.
- Provide clear analysis and commercial insight to support strategic decision-making.
- Manage and review monthly management accounts, statutory accounts, and tax compliance.
- Ensure compliance with financial regulations, governance, and best practices.
- Lead financial planning for new projects, investments, and business opportunities.
- Work closely with senior leadership to identify growth opportunities and improve profitability.
- Oversee relationships with external accountants, auditors, banks, and
