Part-Time Finance Director / Financial Controller (Short-Term Contract)

Description

Location: Doncaster (Onsite preferred)

Engagement: Short-term project with potential for ongoing ad hoc support

Sector: E-Commerce

About the Role

We are seeking an experienced and hands-on **Part-Time Finance Director (FD)** or **Financial Controller (FC)** to support a dynamic e-commerce business based in Doncaster. This is a **short-term project** role focused on reviewing and strengthening the finance function, with the opportunity for **ongoing ad-hoc support** post-project.

This role would suit a commercially aware, qualified finance professional with e-commerce experience who can quickly assess current operations, identify areas for improvement, and implement practical, value-adding changes.

Responsibilities

Key Responsibilities

- Review existing finance processes, controls, and reporting structures.
- Identify opportunities to streamline operations and improve accuracy, efficiency, and insight.
- Support with cash flow forecasting, budgeting, and financial reporting.
- Work alongside internal team members and liaise with external accountants as needed.
- Provide training, guidance, and structure to the in-house finance team.
- Advise on system improvements or changes, particularly regarding multi-platform e-commerce sales and reconciliation.
- Communicate clearly with business owners and key stakeholders to implement sustainable solutions.

Qualifications

What We're Looking For

- Qualified accountant (ACA, ACCA, CIMA) with a strong SME or e-commerce background.
- Experience in financial leadership, system/process improvement, and hands-on support.
- Ability to work independently and deliver results quickly.
- Comfortable working on-site in Doncaster during the initial phase (flexibility possible thereafter).
- Available immediately or at short notice.
