Part-Time Finance Director – Financial Services – London

Description

Our client a growing London based [Financial Services](#) sector business is seeking a [part-time Finance Director](#)

Job Type: Part-Time 3 days per week initially then 2 days longer term.

Our client is seeking a highly skilled and experienced Part-Time Financial Director (FD) to join their dynamic

Financial Services business based in London. As the FD, you will play a critical role in managing the financial aspects of our company and ensuring its long-term financial stability and growth.

This position offers flexibility and the opportunity to contribute your expertise on a part-time basis.

Responsibilities

1. Financial Strategy and Planning: Develop and implement financial strategies and plans in line with the company's objectives and long-term goals.
2. Financial Reporting and Analysis: Oversee the preparation of accurate and timely financial reports, statements, and forecasts. Provide insightful analysis and recommendations to senior management based on financial data.
3. Budgeting and Cost Control: Lead the budgeting process, ensuring effective cost management, and identify areas for potential cost savings and efficiency improvements.
4. Cash Flow Management: Monitor and manage cash flow to ensure adequate liquidity for daily operations and support growth initiatives.
5. Risk Management: Identify and assess financial risks, develop risk mitigation strategies, and ensure compliance with relevant regulations and policies.
6. Financial Compliance: Ensure compliance with accounting standards, tax regulations, and other legal requirements. Liaise with auditors, tax advisors, and regulatory bodies as necessary.
7. Financial Operations: Oversee financial operations, including billing, accounts payable, accounts receivable, payroll, and general ledger. Implement and maintain robust financial controls.
8. Financial Decision Support: Provide financial analysis and guidance for business decisions, investments, and strategic initiatives.
9. Stakeholder Management: Collaborate with internal stakeholders, including senior management and department heads, to provide financial insights and support decision-making.
10. Team Leadership: Manage and mentor the finance team, providing guidance, training, and professional development opportunities.
