Part-Time Finance Director Insurance and Financial Services

Description

Job Title: Remote Part-Time Finance Director

Location: Remote

Company Overview: Our clients are a small but rapidly growing insurance and financial services company based in London, with operations extending into Sweden. They specialise in providing tailored financial solutions to our clients, and our team is dedicated to delivering high-quality services in a dynamic and collaborative environment.

Job Description:

We are seeking a skilled and motivated Part-Time Finance Direcotr to join our team remotely. The successful candidate will play a critical role in supporting our financial planning and analysis efforts, particularly focusing on cash flow management, financial forecasting, and financial modeling. This position will also involve preparing and presenting monthly management accounts to our executive team and board of directors. Additionally, you will oversee the management information for our Swedish subsidiary, ensuring accuracy and timely reporting.

Responsibilities

- **Cash Flow Management:** Monitor and manage the company's cash flow, ensuring that financial resources are utilized efficiently and effectively.
- **Financial Forecasting:** Develop and maintain accurate financial forecasts, supporting strategic decision-making processes for the executive team.
- **Financial Modeling:** Create and maintain financial models to assess business scenarios, profitability, and investment opportunities.
- **Monthly Management Accounts:** Prepare and present detailed monthly management accounts, providing insights and analysis to the executive team and board of directors.
- **Management Information for Swedish Subsidiary:** Oversee the financial reporting and management information processes for our Swedish subsidiary, ensuring compliance with local regulations and company standards.
- **Data Analysis:** Analyze financial data to identify trends, variances, and opportunities for improvement.
- **Collaboration:** Work closely with other departments, including operations and sales, to provide financial insights and support business growth.
- **Continuous Improvement:** Identify and implement process improvements to enhance the efficiency and accuracy of financial reporting and analysis.
