Part-Time Finance Director – London – Digital Marketing

Description

FD Capital are recruiting for a Part-Time Finance Director for a London based digital marketing / SEO/SEM agency.

This is a fully remote role, though there will be occasional meetings in Central London. The role is for 4 days per month initially. Inside of IR35

Job Description – We are a dynamic and fast-growing digital marketing agency based in London, UK. We specialize in providing comprehensive digital marketing solutions to businesses of all sizes and industries. As we continue to expand, we are seeking a highly skilled and experienced Part-Time Finance Director to join our team and provide strategic financial guidance and oversight.

Responsibilities

As a Part-Time Finance Director, your primary responsibility will be to oversee the financial operations of our digital marketing business. You will work closely with the executive team to develop and execute financial strategies that support our growth objectives. Your specific duties will include:

1. Financial Planning and Analysis:
 - Collaborating with the executive team to develop and implement financial plans and budgets that align with the company's strategic goals.
 - Conducting financial analysis and forecasting to provide insights and recommendations for improving financial performance.
 - Monitoring and analyzing key financial metrics to identify trends, risks, and opportunities.
2. Financial Reporting and Compliance:
 - Preparing accurate and timely financial reports, including monthly financial statements, cash flow projections, and variance analysis.
 - Ensuring compliance with relevant accounting standards and regulations.
 - Providing financial insights and recommendations to the executive team to support decision-making.
3. Cash Flow Management and Treasury:
 - Managing cash flow to optimize working capital and ensure adequate liquidity.
 - Overseeing accounts receivable and payable processes, including credit control and vendor management.
 - Implementing effective treasury management practices, including cash forecasting and investment strategies.
4. Financial Operations and Controls:
 - Establishing and maintaining robust financial systems, policies, and procedures.
 - Monitoring internal controls and recommending improvements to mitigate financial risks.
 - Managing relationships with external auditors, tax advisors, and
