Part-Time Finance Director – Northampton – East Midlands

Description

Job Title: Finance Director

Company: Manufacturing Business

Location: Northampton, UK

Company Overview:

We are a leading manufacturing company based in Northampton, UK. With a strong focus on quality and innovation, we specialize in producing high-quality products for various industries. Our commitment to excellence and customer satisfaction has earned us a reputation for reliability and performance. As we continue to expand, we are seeking a skilled and experienced Finance Director to join our team and drive financial strategy and management.

Job Overview:

As the Finance Director, you will be responsible for overseeing the financial operations of our company. You will play a crucial role in shaping the company's financial strategy, managing financial planning and analysis, ensuring compliance, and providing valuable insights to support decision-making. Your expertise will contribute to the overall growth and success of the organisation.

Responsibilities

1. Financial Planning and Analysis:
 - Develop and implement financial strategies aligned with the company's objectives.
 - Prepare annual budgets, forecasts, and financial plans.
 - Monitor financial performance, analyze variances, and identify areas for improvement.
 - Conduct financial analysis and modeling to support strategic decision-making.
2. Financial Reporting and Compliance:
 - Oversee the preparation of accurate and timely financial statements.
 - Ensure compliance with accounting standards, tax regulations, and reporting requirements.
 - Implement and maintain effective internal controls to safeguard company assets.
 - Coordinate with external auditors and manage the audit process.
3. Cost Management and Profitability:
 - Monitor and analyze costs and expenses to optimize profitability.
 - Develop and implement strategies for cost control and efficiency improvement.
 - Conduct product cost analysis and pricing reviews to support pricing decisions.
 - Collaborate with cross-functional teams to drive cost-saving initiatives.

4. Cash Flow Management and Treasury:
 - Manage cash flow, working capital, and liquidity to support operational needs.
 - Forecast cash flow requirements, optimize cash holdings, and manage financing activities.
 - Maintain banking relationships and negotiate favorable terms with financial institutions.
 - Implement strategies for risk management and foreign exchange transactions.
5. Financial Strategy and Business Development:
 - Provide financial insights and analysis to support strategic decision-making.
 - Evaluate investment opportunities, conduct financial due diligence, and assess risks.
 - Collaborate with the executive team in developing business plans and financial models.
 - Support business development initiatives, including mergers, acquisitions, and partnerships.
6. Team Leadership and Development:
 - Lead and mentor the finance team, fostering a culture of high performance and continuous improvement.
 - Set performance goals, conduct performance reviews, and provide coaching and development opportunities.
 - Collaborate with cross-functional teams to enhance financial understanding and decision-making.
 - Build and maintain effective relationships with internal and external stakeholders.

Qualifications

Part-Time Finance Director – Northampton – East Midlands

- Bachelor's degree in finance, accounting, or a related field. A relevant professional qualification (e.g., ACCA, CIMA, ACA) is highly desirable.
- Proven experience as a Finance Director or in a similar senior finance leadership role within the manufacturing sector.
- Strong knowledge of financial management principles, practices, and accounting standards.
- Demonstrated experience in financial planning, budgeting, forecasting, and analysis.
- Familiarity with regulatory requirements, tax laws, and compliance in the manufacturing industry.
- Proficiency in cost management, profitability analysis, and pricing strategies.
- Excellent analytical, problem-solving, and decision-making skills.
- Strong leadership abilities with a track record of building and managing high-performing teams.
- Effective communication and interpersonal skills, with the ability to collaborate with stakeholders at all levels.
- Proficiency in financial software systems and advanced MS Excel skills.

Join us as our Finance Director and contribute your expertise to our successful manufacturing operation. We offer a competitive compensation package and the opportunity to make a significant impact on our business. If you are a results-driven finance professional with a passion for the manufacturing industry, we look forward to receiving your application.

Job Benefits

£500 – £550 per day.
