Part-Time CFO – Cambridge

Description

Company Overview: Our client is an innovative industrial business experiencing rapid growth and scaling operations. They specialise in industrial products. As they expand and scale, they are seeking a skilled and experienced Part-Time CFO to oversee their financial strategies and support their scaling initiatives. The ideal candidate will be a key leader in driving financial strategies, overseeing M&A activities, and contributing to the overall growth and success of the organisation.

Role Overview: The Part-Time CFO will be a key member of our executive team, responsible for providing strategic financial guidance, driving financial planning, implementing controls, and ensuring the optimisation of the company's financial performance during this critical phase of expansion.

Responsibilities

- **Financial Strategy:** Develop and execute financial strategies aligned with the company's growth objectives, including financial planning, budgeting, and forecasting.
- **M&A Leadership:** Lead the identification, evaluation, and execution of potential mergers, acquisitions, and divestitures. Direct involvement in due diligence, negotiations, and integration processes.
- **Risk Management:** Assess, mitigate, and manage financial risks, providing insights to enhance decision-making and maintain financial stability.
- **Cash Flow Management:** Implement and monitor cash flow strategies, optimizing liquidity while supporting operational needs and growth plans.
- **Financial Reporting:** Oversee the preparation and analysis of financial reports, providing timely and accurate information to the executive team and stakeholders.
- **Investment Analysis:** Evaluate potential investments and opportunities, providing recommendations based on ROI and strategic alignment.
- **Regulatory Compliance:** Ensure compliance with financial regulations and reporting requirements, keeping abreast of evolving industry standards and best practices.
- **Team Leadership and Development:** Mentor and lead the finance team, fostering a culture of excellence, collaboration, and professional development.
- **Financial Planning and Analysis:** Oversee financial planning, forecasting, and budgeting processes. Provide insights and analysis to drive decision-making and support operational and strategic planning.
- **Performance Measurement:** Establish key performance indicators (KPIs) to measure and track financial performance. Develop and implement reporting mechanisms for effective evaluation and transparency.
- **Capital Structure Management:** Manage the organisation's capital structure, including debt, equity, and financing strategies. Optimize the capital allocation to support growth and value creation.
