Part-Time Finance Director – London

Description

Job Title: Part-Time Finance Director

Location: London, UK (Hybrid options available)

Salary: Competitive pro-rata package, commensurate with experience

Company Size: £70m annual turnover

Sector: Insurance – Back Office Services

Employment Type: Part-Time (2–3 days per week or equivalent flexible hours)

About Us

We are a leading back-office services provider to the insurance sector, supporting brokers, MGAs, and underwriters across the UK. With a turnover of £70 million and a strong growth trajectory, we are now seeking a commercially focused **Part-Time Finance Director** to join our senior leadership team.

Role Overview

Reporting directly to the CEO, the Finance Director will be responsible for leading the finance function, ensuring sound financial governance, and providing strategic financial insight to support the business through its next phase of growth. This role is ideal for a hands-on, commercially astute finance leader with proven experience in the insurance sector.

Responsibilities

Key Responsibilities

- Lead and oversee the financial strategy, planning, forecasting, and reporting functions
- Provide senior financial insight and strategic guidance to the Board and Executive Team
- Ensure compliance with all regulatory and statutory financial reporting obligations, including FCA requirements
- Manage budgeting, cash flow forecasting, and performance analysis
- Drive profitability and operational efficiency across the organisation
- Oversee relationships with auditors, banks, and other external stakeholders
- Strengthen internal controls, processes, and reporting systems as the business scales
- Support M&A activity and due diligence processes where applicable
